PA State Police Camp Cadet Golf Tournament

• Troop M Annual Golf Tournament 4 Person Scramble

Each year Camp Cadet provides a life-time experience to approximately 100 young adults from Lehigh, Northampton, and Bucks Counties, between the ages of 12-15.

The purpose of Camp Cadet is to provide an insight into police training and the overall expectations of a police officer. This program is a true-to-life experience, patterned after municipal and state police training. Cadets are challenged by classroom instruction and physical activities. Self-discipline is taught here. The program is not a recreational camp, nor is it a disciplinary camp for problem youth. The camp is designed to bring a better understanding of law enforcement activities to the participants as they learn self-discipline, make new friends, and work as part of a team. The disciplined training fosters a positive attitude, which helps many graduating cadets attain goals they once thought unattainable.
